

Top Certified Pre-Owned Deals for November, According to Autotrader

ATLANTA, Nov. 8, 2016 /PRNewswire/ -- Autotrader editors have revealed their top deals on certified pre-owned (CPO) vehicles for the month of November. As holiday shopping quickly approaches, shoppers have already started looking for smart buys and deep discounts. Automakers are making the search worthwhile by offering special deals on CPO vehicles all month long.

"Holiday shopping can put a pinch on budgets, and the potential problems associated with used vehicles can make shoppers wary," said Brian Moody, executive editor at Autotrader. "That's where certified pre-owned cars and trucks come in. Often lightly used and accompanied by a long factory warranty, CPO vehicles offer greater peace of mind than a regular used vehicle — at a more reasonable price point than a new one."

In November, special CPO deals and offers give shoppers plenty to be thankful for. Here are some of Autotrader editors' favorites:
