Through the end of the month, qualified shoppers can get a certified pre-owned Buick with 1.9 percent interest -- a great deal, though it's only offered on the Buick Enclave and Encore crossovers and the LaCrosse sedan.

[Chevrolet's certified pre-owned program](#) touts two strong warranties that add peace of mind to a vehicle purchase. A powertrain warranty that lasts for 6 years or 100,000 miles from the original sale date, and a bumper-to-bumper warranty that covers vehicles for 12 months or 12,000 miles after they're purchased. Jaguar is offering 1.9 percent interest for up to 60 months on 2014 and 2015 XF models, along with 2.9 percent interest for up to 60 months on the larger XJ. Jaguar even has a good deal available on the F-TYPE sports car, touting 1.9 percent

interest for up to 60 months.

[Land Rover's certified pre-owned program](#) mirrors that of its sister brand, Jaguar, and its impressive warranty is identical: 7 years or 100,000 miles of bumper-to-bumper coverage from the original sale date, which is one of the best CPO warranties in the business. Through the end of the month, Land Rover is offering 1.9 percent interest for up to 60 months on 2014 and 2015 Range Rover Sport and Evoque models, along with 1.9 percent interest for the 2015 Land Rover Discovery Sport. For drivers looking to pay with cash, Nissan is also offering up to \$500 cash back on any certified pre-owned model -- or \$750 cash back on a certified pre-owned Leaf electric car.

[Toyota's certified pre-owned program](#) is also noteworthy, touting 7 years or 100,000 miles of powertrain coverage from the original sale date, plus an additional 12 months or 12,000 miles of bumper-to-bumper coverage. This month, qualified buyers can combine the excellent Sienna and Toyota's great CPO warranty with a great deal: 2.9 percent interest for up to 60 months, which is a long term for such a low rate.

[Volkswagen's certified pre-owned program](#) boasts an extra 2 years or 24,000 miles of bumper-to-bumper warranty coverage, touting excellent warranty protection for shoppers interested in a used VW with the peace of mind that comes from a manufacturer-backed warranty. The best is a low interest rate; through the end of the month, Volkswagen is offering qualified shoppers a 60-month term with 1.99 percent interest for all CPO vehicles, which is a good deal. Meanwhile, Volkswagen has another offer available as the automaker will pay up to \$500 of your first payment on certain CPO vehicles.
