

Top Certified Pre-Owned Deals for April 2019 According to Autotrader

ATLANTA, April 12, 2019 /[PRNewswire](#)/ -- With extra money in the pockets of car shoppers from tax refunds, April typically kicks off one of the strongest selling months of the season. Many Americans are eager to use their refunds toward a vehicle they have been eyeing. Looking to get the most bang for their buck, consumers should look at a certified pre-owned vehicle.

"After completing the tedious task of yearly taxes, consumers are often rewarded with a refund they can apply toward a major purchase, like the down payment on their next vehicle," said Brian Moody, executive editor of Autotrader. "The refund can be stretched even further by considering a CPO vehicle, allowing shoppers to drive away with a car that is as good as new, but at a better price."

The editors at Autotrader have rounded up some of the best CPO deals to help shoppers find that perfect certified pre-owned vehicle this month.
