

Top Certified Pre-Owned Deals for May 2019

According to Autotrader

ATLANTA, May 10, 2019 [/PRNewswire/](#) -- As Memorial Day weekend approaches, the auto industry is entering a critical sales stretch. Dealers are trying to land sales while consumers are focusing on getting a good deal on a car before the summer. Consumers should look to certified pre-owned vehicles to drive out of the dealership in their dream car without making a big dent in their wallet.

"Dealers and automakers will be rolling out new incentives in May and trying to get the attention of car shoppers with Memorial Day weekend promotions," said Brian Moody, executive editor of Autotrader. "Smart shoppers can get the most bang for their buck by checking out certified pre-owned programs. CPO vehicles offer perks similar to a new car, but at a lower price. Backed by a manufacturer's warranty, buyers can save themselves the headache of unexpected repairs, so they can sit back, relax and enjoy the summer."

The editors at Autotrader have rounded up some of the best CPO deals to help shoppers find that perfect certified pre-owned vehicle this month.
