ATLANTA, Aug. 22, 2019 /[PRNewswire](#)/ -- Autotrader recognizes that most things in life are not one size fits all – including searching for the ideal vehicle or finding the newest four-legged furry addition to your family. For the sixth year in a row, Autotrader celebrates National Dog Day, on August 26, by revealing their list of Best Cars for Dog Lovers as well as the creation of limited-edition goggles for dogs, to keep dogs safe and stylish while traveling in the car with the windows down.

Through Autotrader's special-edition website [Dogtrader.com](#), dog parents can enter for a chance to win this limited-edition accessory from August 22 through September 12¹. As part of the program, Autotrader will donate funds to [Adopt-a-Pet.com](#) to help get homeless dogs out of shelters and into loving homes. Autotrader is committed to shining a light on dog adoption, which is why, on Dogtrader.com, dog lovers can search for local pups in their area and help get homeless dogs out of shelters and into loving homes, which is the real mission of National Dog Day.

Dogs are considered members of the family and with this in mind, the editors at Autotrader curated a list of the best rides for fur parents to help shoppers find the perfect new car for traveling with their four-legged friends.
