

Top Certified Pre-Owned Deals for February, According to Autotrader

ATLANTA, Feb. 9, 2017 /[PRNewswire](#)/ -- The editors at Autotrader have released their list of the best deals on certified pre-owned (CPO) vehicles available in February. Qualified shoppers looking for a great deal will fall in love with these opportunities to get a like-new vehicle for a fraction of a new car price.

"Not everyone can spend a fortune for a new car, but the potential repair bills from a modern used car can deter shoppers," said Brian Moody, executive editor at Autotrader. "CPO vehicles strike a good balance between price and peace of mind. They're lightly used, undergo a rigorous inspection and are backed by lengthy manufacturer warranties."

To help vehicle shoppers find that special CPO vehicle this February, the editors of Autotrader have compiled this list of the industry's top CPO deals and incentives.
