

Top Certified Pre-Owned Deals for March 2019 According to Autotrader

ATLANTA, March 8, 2019 /[PRNewswire](#)/ -- With warmer weather on the way, automakers and dealerships are gearing up in March for one of their prime selling stretches of the year. Car shoppers can make the most of dealers ready to drive sales by checking out certified pre-owned vehicles, a part of the market that's been growing in recent years.

"To kick off the spring selling season, dealers will be rolling out specials on new cars to attract customers, but car shoppers looking for a good deal should consider a certified pre-owned vehicle," said Brian Moody, executive editor for Autotrader. "Automakers continue to back their CPO programs by offering favorable pricing, financing and warranty coverage on a great selection of vehicles. Customers can drive off the lot this March with a car that looks as good as new but has a lower monthly payment."

The editors at Autotrader have rounded up some of the best CPO deals to help shoppers find that perfect certified pre-owned vehicle this month.
