

AutoTrader.com and Dent Wizard Partner to Sponsor Olympic Cyclist Marty Nothstein's Car for National Hot Rod Association 2006 Racing Season

Driver Takes Winning Record and Competitive Spirit into Fourth Season

Who: AutoTrader.com, Dent Wizard, National Hot Rod Association (NHRA),
Marty Nothstein

What: AutoTrader.com, the ultimate automotive marketplace and Dent Wizard, the world leader in paintless dent removal, have partnered to sponsor the race car of Olympic Gold and Silver medalist Marty Nothstein. Nothstein is one of the most recognized cyclists and Olympians in the world, and has recently taken his winning record to the world of drag racing.

Nothstein's car is owned and tuned by Bucky Austin, an NHRA Hall of

Fame member and a 15 time national event winner. The car will race in the NHRA Powerade and Lucas Oil racing series in the Top Alcohol

Funny Car class and will be emblazoned with logos from both AutoTrader.com and Dent Wizard as Nothstein races down the 1/4 mile.

Where: Nothstein will drive the AutoTrader.com-Dent Wizard funny car in a series of national events throughout the year.

When: The NHRA series kicks off February 9-12 in Pomona, CA and runs through November 9-12 in Pomona, CA.

Marty Nothstein is available for media interviews.
