AutoTrader.com has the highest overall satisfaction among used-vehicle independent sites for the second year in a row. The company received the highest scores for Overall Satisfaction, Business Generation, Dealer Support/Service, Transmission of Leads and Advertising, leading other competitors in the study in each of these satisfaction factors.

According to the study, AutoTrader.com delivers more used-vehicle leads per dealer than its competitors. The company also delivers more used-vehicle sales per dealer than its competitors. With the highest monthly used leads per dealer (26), AutoTrader.com delivers 11% of its dealers' total used-vehicle sales. AutoTrader.com received highest scores in 14 out of 15 dealer satisfaction attributes (such as Quality of Leads, Gross Profit Margin, Dealer Training and Assistance with Selling Certified Pre-Owned Vehicles). Service satisfaction has helped AutoTrader.com remain the dominant volume player in the arena of used-vehicle lead providers.

"This authoritative measurement of dealer satisfaction is reflective of the fact that AutoTrader.com continues to prove its worth to dealers," said Chip Perry, president and chief executive officer, AutoTrader.com. "With our growing stable of partners and our continued commitment to national marketing, our sales force and customer service, we drive consumers to dealers and value our dealer customers."
