AutoTrader.com has the highest overall satisfaction among used-vehicle independent sites. The company received the highest scores for Overall Satisfaction, Business Generation, Dealer Support/Service, Transmission of Leads and Advertising, leading other competitors in the study in each of these satisfaction factors.

According to the study, AutoTrader.com delivers more used-vehicle leads per dealer than its competitors. The company increased monthly used leads per dealer from 21 in 2003 to 33 in 2004. AutoTrader.com also delivers more used- vehicle sales per dealer than its competitors. With the highest monthly used leads per dealer (33) and a 22% close ratio, AutoTrader.com delivers 13% of its dealers' total used-vehicle sales. Additionally, AutoTrader.com received highest scores in 13 out of 15 dealer satisfaction attributes (such as Quality of Leads, Gross Profit Margin, Dealer Training and Assistance with Selling Certified Pre-Owned Vehicles).

"This authoritative measurement of dealer satisfaction is reflective of the fact that dealers have voted for AutoTrader.com in more ways than one," said Chip Perry, president and chief executive officer, AutoTrader.com.

"They've responded to our investments in a 500 member sales force, an increased marketing budget and customer support. This is why we've seen an unprecedented increase in the number of paying dealers with our site of 30 percent over last year."

About AutoTrader.com
