

AutoTrader.com to Use Site to Raise Awareness of and Money for St. Jude Children's Research Hospital®

Longtime Charity Partner Will Benefit from Ongoing Exposure to The Millions Who Visit AutoTrader.com Each Month

ATLANTA, July 27 [/PRNewswire/](#) -- AutoTrader.com will use the power of its site, which attracts more than 15 million unique monthly visitors, to help raise awareness of and funds for St. Jude Children's Research Hospital.

AutoTrader.com announced today that visitors to the site will see dynamic display ads with a "donate now" call to action throughout the site that highlight the work of St. Jude – one of the world's premier centers for the research and treatment of pediatric cancer and other catastrophic childhood diseases. Also, individuals who purchase an advertisement to sell a vehicle on AutoTrader.com will have the opportunity to donate to St. Jude as they purchase the advertisement. Suggested donations amounts on the Private Seller page are \$1, \$3 and \$5 and the page offers a link back to the St. Jude website for people wishing to donate different amounts.

"We wanted to make it as easy as possible for visitors to our site to learn more about St. Jude and donate to an organization that AutoTrader.com thinks very highly of," said Melanie Kovach, AutoTrader.com Senior Director and General Manager of Private Seller Advertising. "And a little really does go a long way. These donations will add up quickly and coupled with what AutoTrader.com donates as a company, will really make a difference for St. Jude."

Since 2002, AutoTrader.com has supported St. Jude through a variety of channels and initiatives, including:

- AutoTrader.com has hosted more than 200 golf tournaments across the country benefiting St. Jude. These tournaments have raised more than \$1 million.
- AutoTrader.com employees volunteer about 4,000 hours per year on St. Jude fundraising projects, including staging and hosting charity golf tournaments and participating in the annual St. Jude *Give thanks..Walk.™*
- St. Jude has been a charity of choice for the AutoTrader.com employee giving campaign for the past four years, raising more than \$200,000 for the research hospital.
- In 2009, for each dealer survey an AutoTrader.com dealer customer completes, AutoTrader.com donated \$1 to St. Jude. This program resulted in approximately \$4,000 donated to St. Jude.

This program is similar to a short-term donation program AutoTrader.com ran on the site to benefit St. Jude in the fourth quarter of 2009. That program raised \$44,000 for St. Jude and set the stage for the ongoing program launching today.
